Important Information about Charter

Meals

When chartering a boat, half board service is obligatory for all passengers. If you opt for full board, this will be binding for all tour participants; **the combination of half and full board within a charter group is not possible. However, it is possible for the entire charter group to book half board on specific days and full board for the remaining days** (e.g. 3 days half board and 4 days full board). Please inform us at least six weeks prior to your travel date about your preferences. **The selected catering is to be paid equal to the respective minimum number of charter participants, set for the surcharge calculation (please see charter prices in the price list).**

Charter groups can choose between half or full board, regardless of whether the ship on regular cruises offers half or full board.

Additional meals or special requests, which may add extra costs, are payable on board.

Participants List

The list of participants must be delivered at least six weeks prior to the travel date.

Route Planning

The routes within Croatian territorial waters can be discussed individually; the average daily sailing time is about five hours (= 35 hours per week), but not more than seven hours per day. When exceeding the average daily sailing time, a fuel surcharge applies, payable to the captain. You should therefore inform us in time, if possible already at the moment of booking, about your route requests and wishes, so we can estimate the daily sailing time and calculate a possible fuel surcharge.

Examples of fuel surcharges:

Routes T1, TV	€ 30
Routes T3, TD	€ 70
Route T5	€ 30

The fuel surcharge is to be paid per person, according to the minimum number of charter participants.

National & Nature Parks

Entrance fees to national and nature parks are not included in the charter price and need to be paid on-site. For example, per person (as per May 2019, subject to change):

Kornati Islands National Park	€ 10
Telašćica Nature Park	€ 10
Island of Mljet National Park (depending on season)	€ 15–25
Krka Waterfalls National Park (depending on season)	€ 20–40
Island of Lastovo Nature Park	approx. € 4

Excursions

We will gladly organize additional excursions to enhance your cruise experience. For example, the Kayak Safari on the Zrmanja river (see description of route RC for details), rafting on the Cetina river (see descriptions of routes TV and TC for details), or a full-day bus tour across Montenegro (see description of route T4 for details) and through the Neretva river delta to Mostar (see route T5).

Zrmanja Kayak Safari	€ 59 per person
Cetina River Rafting	€ 59 per person
Neretva River Delta & Mostar	€ 69 per person
Montenegro Tour ex Kotor	€ 60 per person
Montenegro Tour ex Dubrovnik	€ 85 per person
City guide	€ 95 per group

Island Hopping by Bicycle

Generally, you may charter a boat also for "Island Hopping by Bicycle". However, this service must be requested at the time of booking, since not all vessels are suitable for this type of cruise. Additional costs per week:

- Compulsory handling surcharge (bike transport, special route): **€ 25 per person per bicycle resp. € 45 per person per e-bike**; at least equal to the respective minimum number of charter participants, set for the surcharge calculation (please see charter price table).
- Riva Bike Guide: **1st guide: € 1,000 per week, 2nd guide: € 700 per week**; prices include meals for

the guides. We recommend two guides per group. Please note that one cabin on board will be reserved for the bike guides (the charter price will not be reduced).

- Bicycle rental (helmet on request) including bicycle insurance and delivery to the port (available only in connection with the Riva Bike Guide): **€ 79 per bicycle.**
- E-bike (electrical bicycle; helmet on request) including bicycle insurance and delivery to the port (available only in connection with the Riva Bike Guide): **€ 210 per e-bike.**

Hiking Cruises

Of course you may also charter a boat for Hiking Cruises. Additional costs per week:

- Riva Hiking Guide: **1st guide: € 1,000 per week, 2nd guide: € 700 per week**; prices include meals for the guides. Please note that one cabin on board will be reserved for the hiking guides (the charter price will not be reduced).

Tour guides

We would be happy to make you an offer for a tour guide to accompany you during the cruise, e.g. for cultural trips. Guided city tours are also possible in most places, but these may only be conducted by locally licensed tour guides. We will be happy to make you an offer for this as well.

Port of Embarkation/Disembarkation

Generally, embarkation and disembarkation take place at the same port. However, there is the possibility to choose different ports for embarkation and disembarkation (for example, Rijeka and Zadar), if you charter the boat for two or more groups in a row. For example, two times seven days, or two short cruises of three and four days.

Short Cruises

If you do not have a full week's time, but still would like to charter a boat, feel free to contact us. We will gladly submit an offer for shorter charter trips.
